

SoftLogix5800 Analog Encoder Servo Card, Firmware Revision 19

Catalog Number 1784-PM02AE

When To Use These Release Notes

Use these release notes for information about firmware revision 19.2.

IMPORTANT

Consider the following before updating your analog encoder servo card:

- Before updating your card, we strongly recommend that you review information pertinent to previous major firmware revisions. For example, when updating from firmware revision 17.x to 19.x, view information for firmware revisions 17 and 18 in these publications:
 - SoftLogix 5800 Analog Encoder Servo Card, Firmware Revision 17 Release Notes, publication [1784-RN538](#)
 - SoftLogix 5800 Analog Encoder Servo Card, Firmware Revision 18 Release Notes, publication [1784-RN541](#)

Release notes contain material for all minor firmware revisions subsequent to each major firmware revision. If your card, for example, is at firmware revision 17.00, and not the latest firmware revision, such as 18.03, you should view all of the information for firmware revision 17.0...18.03 before updating to revision 19.xx.

Release notes are available at:

<http://www.rockwellautomation.com/literature>

- After updating your card, we strongly recommend that you **retest/validate your application offline before going online.**

Compatible Versions of Software

To use firmware revision 19.2, the following minimum software versions are required.

Table 1 - Compatible Software Versions

Software	Required Version
RSLink Classic	2.57 (CPR 9, SR3)
RSLink Enterprise	5.30 (CPR9, SR3)
RSLogix 5000	19.00 (CPR 9, SR3)
SoftLogix controller	19.xx
RSNetWorx for ControlNet	10.01 (CPR 9, SR3)
RSNetWorx for DeviceNet	
RSNetWorx for EtherNet/IP	

Additional Resources

These documents contain additional information concerning related Rockwell Automation products.

Resource	Description
SoftLogix Controllers, Version 19 Release Notes, publication 1789-RN019	Information pertinent to upgrade of SoftLogix5800 controller to version 19
SoftLogix5800 System User Manual, publication 1789-UM002	Information about use of SoftLogix5800 controller
Industrial Automation Wiring and Grounding Guidelines, publication 1770-4.1	Provides general guidelines for installing a Rockwell Automation industrial system.
Product Certifications website, http://www.ab.com	Provides declarations of conformity, certificates, and other certification details.

You can view or download publications at <http://www.rockwellautomation.com/literature/>. To order paper copies of technical documentation, contact your local Rockwell Automation distributor or sales representative.
